

## THE EXCITING NEW ZEALAND MADE "SNATCH MASTER"

- Heat set to provide minimum 20% elongation
- Minimum 8,000 kgs breaking load
- Superior quality nylon heavy duty webbing
- Dyed to prevent dirt & oil ingress
- Heavy Duty Eye protection ensures increased strap life
- Supplied with waterproof user instruction card
- Requires less storage than similar strength nylon ropes of same length

### REGARDLESS OF THE SITUATION, SNATCH MASTER WILL PERFORM!

- Manufactured in Auckland and Christchurch by **COOKES**
- Special heavy duty, high elongation webbing available
- Extensively trialled under New Zealand conditions by participants in the B F Goodrich Mainland to End Experience.

### CHECK OUT THIS FEEDBACK FROM SATISFIED USERS!

"The best means to remove a stuck vehicle I have ever seen."  
 "Excellent - much more stretch than earlier recovery straps"  
 "Only one work describes it - **MAGIC**".
